

MODULE 1 DELIVERABLE — ASSET T-M01-DEL

My Engagement Commitment

Foundation: Reboot, Don't Mute

I have made three decisions before beginning the work. I will protect them.

1. WHEN I WILL SHOW UP

The day(s) and time(s) I have blocked on my calendar for this course.

2. HOW I WILL DEFINE DONE

A lesson watched is not a lesson done. Tick the standard you commit to.

- ☐ I will produce the signed deliverable for each module before moving on to the next.
- ☐ I will keep my deliverables visible — not buried in a folder or drawer.
- ☐ I will not skip the worksheets, even when the lesson feels familiar.

3. MY WORKBOOK DECISION

Decide today — not later — whether you are using the (Un)Retire Workbook alongside this course.

- ☐ I will use the workbook alongside the course — it is open beside me when I work.
- ☐ I will use the course materials only — the worksheets are enough for me right now.

A course you watch is entertainment. A course you do is design.
